WEST MEADOW CEMETERY ANGEL STATUE

679 Willard Avenue - Newington

1:00 - 2:00 p.m.

(Rain or Shine)

Because of the current restrictions, we sadly are unable to offer our traditional walk this year to remember the children we love and have lost. We understand the importance of this annual event and are offering a simplified gathering this year, directly at the Angel statue.

Come by the Angel at any time during this open hour. The full hour will be spent reading aloud the names of the children you are remembering (provided to us either in-person on the 13th, or prior to the event via call or email – deadline Friday, September 11th).

We will have flowers for placement on the Angel as your child's name is read.

Unfortunately, we are unable to provide a tent and seating this year.

We appreciate your cooperation in protecting everyone in attendance by wearing a mask and practicing safe social distancing during your visit to the Angel.

To request your child's name be read, please reach out to:
(860)666-0600 or Liz@newingtonmemorial.com
